

ABBY01B USB to SATA 3.0 Adapter, 2.5" SATA HDD/SSD Support, USB 3.0 5Gb/s, UASP

Product Images

Short Description

- **Drive compatibility:** Suitable for 2.5" SATA HDD or SSD.
- **High-speed performance:** USB 3.0 SuperSpeed up to 5Gb/s with UASP support for faster transfers.
- **Direct USB-to-SATA use:** Connects a bare 2.5" SATA drive to a PC or laptop without an enclosure.
- **Compact design:** Small, lightweight adapter for easy portability.
- **Plug-and-play setup:** Simple installation with no additional drivers required.

Description

The ABBY01B USB to SATA 3.0 Adapter lets you quickly connect a 2.5" SATA HDD or SSD to your PC or laptop without needing an enclosure. It offers steady, efficient data transmission with transfer rates up to 6Gbps, making it a simple way to access, upgrade or reuse drives.

Its compact size makes the adapter easy to carry, and the plug-and-play design means it's ready to use right away—no tools or driver installation required. Ideal for transferring large video files, cloning drives or creating backups.

Additional Information
