Product Images

Short Description

- **Display compatibility:** Connects USB-C laptops or desktops to HDMI monitors, TVs or projectors.
- **Video performance:** Supports HDMI resolutions up to 4K×2K at 30Hz.
- **Core function:** USB-C to HDMI 1.4 adapter for screen extension or mirroring.
- **Aluminum casing:** Helps dissipate heat and adds durability.
- **Plug-and-play setup:** Works instantly with no extra steps.

Description

The ABBY03B USB-C to HDMI 1.4 Adapter offers a portable way to connect an HDMI display to your USB-C laptop or desktop computer. It lets you extend or mirror your screen to an external monitor, TV or projector using a single compact adapter.

Supporting HDMI resolutions up to 4K×2K at 30Hz, it delivers clear, detailed video for work, presentations or entertainment. The aluminum casing helps with heat dissipation, while the plug-and-play design requires no additional software—just connect and start using your display.
