- **Cable length:** 20cm lead keeps connections neat and easy to manage.
- **Plug-and-play setup:** Works instantly with no extra steps.

Description

The ABBY11B USB-C to USB-A OTG Adapter 2-Pack lets you connect USB-A accessories to USB-C devices such as smartphones, gaming consoles, MacBook, Chromebook Pixel and other USB-C laptops. With support for USB 3.2 Gen 1 speeds up to 5Gbps, it handles everyday data syncing and file transfers with ease while letting you keep using your existing USB-A cables and peripherals.

The short 20cm cable helps reduce strain on ports and keeps setups tidy, whether on a desk or on the go. Supporting up to 3.0A of output current, it can also charge compatible USB-C devices. Just plug it in and start using your drives, keyboards, mice and other USB-A gear with your USB-C hardware.
