Product Images

Short Description

- **Device compatibility:** Works with most HDMI PCs, laptops, TV boxes, set-top boxes, and Xbox consoles.
- **Signal direction:** Uni-directional adapter from HDMI source to VGA display only.
- **Full HD support:** Handles video resolutions up to 1080p 60Hz.
- **Plug-and-play setup:** Works instantly with no extra steps.
- **Cable length:** Integrated 25cm cable for flexible positioning.

Description

The ABBY20B HDMI to VGA Adapter is ideal for connecting HDMI-enabled laptops, PCs, TV boxes, set-top boxes, or Xbox consoles to VGA displays such as monitors or projectors. It supports resolutions up to 1080p at 60Hz, delivering a clear, stable image for presentations, video playback, or extending your desktop.

This adapter is uni-directional and only works from an HDMI source to a VGA display. It is not compatible with low-power HDMI devices such as Apple TV, PS4/PS5, Mac Mini, MacBook Pro with Retina display, Blu-ray players, or cameras.
