Product Images

Short Description

- **High-speed connectivity:**USB 3.0 SuperSpeed up to 5Gb/s with UASP support.
- **Wide drive support:**Compatible with all 2.5" SATA HDDs/SSDs up to 9.5 mm thick.

- **Large capacity support:**Handles SATA drives up to 10TB.
- **Tool-free installation:**Screwless casing for quick, easy assembly.
- **Flexible storage use:**Ideal for backups, data transfers or extra external storage.
- **Plug-and-play setup:**No driver required for immediate use.

Description

The 2.5" Hard Drive Enclosure with USB 3.0 makes it easy to connect any 2.5" SATA hard disk or SSD to an available USB port on your PC, notebook or netbook. Whether reusing a drive from an older system or installing a new one, this enclosure provides a simple way to expand storage, transfer data, or create backups. With USB 3.0 SuperSpeed up to 5Gb/s and UASP support, it delivers faster, more responsive performance for everyday use. The screwless design allows quick tool-free assembly, and its compact build makes it ideal as external storage at home or on the go.
