DANTE06B 2.5" Hard Drive Enclosure with USB 3.2 Gen 1, 6Gbps

Product Images

Short Description

- **Wide drive support:**Compatible with 2.5" SATA HDDs/SSDs (7–9.5 mm thickness).
- **Fast transfer speeds:**Supports data transfer rates up to 6Gb/s with UASP.
- **Large capacity support:**Handles drive capacities up to 10TB.
- **Tool-free installation:**Compact screwless casing for quick, easy assembly.
- **Plug-and-play setup:**No drivers required for immediate use.
- **Flexible storage use:**Ideal for backups, data transfers or everyday external storage.

Description

The 2.5" Hard Drive Enclosure with USB 3.2 Gen 1, 6Gbps makes it easy to connect a 2.5" SATA HDD or SSD to an available USB port on your PC, notebook or netbook. You can reuse a drive from an older system or install a new one to quickly add external storage for everyday use. It’s ideal for backing up music, videos, photos and files, or simply using the drive as portable storage.

Compatible with 2.5" SATA drives between 7 mm and 9.5 mm thick and supporting data transfer speeds up to 6Gb/s with UASP, it delivers responsive performance for daily backups and file transfers. The compact screwless casing allows quick, tool-free assembly, while simple plug-and-play setup lets you get started right away.
