Product Images

Short Description

- **High-speed performance:** Supports data transfer rates up to 10Gbps.
- **USB-C to USB-A design:** USB-C male to USB-A female for wide accessory compatibility.
- **Durable aluminum finish:** Helps with heat dissipation and long-term reliability.
- **Plug-and-play setup:** Works instantly with no extra steps.

Description

The DONN03G USB-C to USB-A OTG Adapter 2-Pack provides a simple way to connect USB-A accessories to your USB-C devices. With support for transfer speeds up to 10Gbps, it's ideal for plugging in flash drives, hard drives, keyboards, mice and more—without

needing new cables. The compact aluminum build offers durability and better heat dissipation, making it suitable for everyday carry and on-the-go use.

Compatible with USB-C smartphones, tablets, laptops, gaming handhelds and other modern devices, this adapter lets you sync data, transfer files and power your accessories with ease. Just plug it in and start using it right away.
