- **High-speed transfers:** USB-A adapter supports up to 10Gbps; Micro USB adapter up to 480Mbps.
- **OTG compatibility:** Connects external drives, flash storage, keyboards, mice and more.
- **Durable build:** Aluminum casing improves heat dissipation and reliability.
- **Plug-and-play setup:** Works instantly with no extra steps.

Description

The DONN04G USB-C to USB-A/Micro USB OTG Adapter 2-Pack gives you an easy way to connect your USB-C phones, tablets, or laptops to older USB devices. It lets you plug in accessories such as external hard drives, flash drives, mice, keyboards, or other USB peripherals without buying new cables. The USB-A adapter supports high-speed transfers up to 10Gbps, while the Micro USB adapter handles everyday syncing at up to 480Mbps.

Featuring an aluminum housing for better heat dissipation, each adapter is small, durable, and convenient for daily carry. A simple and cost-effective way to extend your device compatibility and reduce cable clutter.
