Description

The Conceptronic USB-C cable is the perfect companion for all your charging and data transfer needs! Designed with PD 3.0 technology and featuring an E-Mark chipset, this cable delivers up to 100W (20V/5A) of power, ensuring safe and efficient charging for your devices. The durable braided cable is designed to withstand twists and tugs, making it a reliable choice for tight spaces or on-the-go use. With a data transfer speed of 480Mbps, it efficiently handles your syncing needs. Whether you're at home, in the office, or on the move, this cable will meet all your connectivity needs, providing you with a seamless and efficient experience every time.
