- **Cable length:** 2.0m
- **Bidirectional support:** Works from HDMI → DVI or DVI → HDMI

Description

The HDMI to DVI-D Cable delivers clear and stable digital video transmission between HDMI-enabled devices and DVI-D displays. Built with premium materials and triple shielding, it ensures reliable, interference-free performance when connecting Blu-ray players, game consoles, set-top boxes, HDTVs, monitors, or projectors. The gold-plated connectors further improve signal quality and long-term durability, making it an excellent choice for everyday home, office, or AV use.
