Description

The 119390 DisplayPort to HDMI Adapter Cable provides a simple, direct way to connect a DisplayPort-enabled computer to an HDMI display such as a monitor, TV, or projector. With DisplayPort Male to HDMI Male connectors and a 2m cable length, it is ideal for workstations, home entertainment, classrooms, and meeting rooms where you need a reliable video link.

Supporting resolutions up to 4K/30Hz and data rates up to 10.2Gbps, this cable delivers crisp, detailed images and smooth playback, while gold-plated connectors help maintain signal integrity and reduce interference. Designed as a unidirectional cable from DisplayPort source to HDMI display, it offers true plug-and-play installation without the need for drivers or external power.

Whether you are extending your desktop, mirroring your screen for presentations, or upgrading an existing setup, the 119390 DisplayPort to HDMI Adapter Cable offers a cost-effective way to bridge modern DisplayPort outputs with widely used HDMI screens.
