Product Images

Short Description

- **Connector type:** USB-C male to USB 3.0 Type-A female.
- **Data transfer speed:** Supports transfer rates up to 5Gbps.
- **Durable housing:** Aluminum shell for a solid, premium feel.
- **Pack size:** Sold as a 2-piece set for extra convenience.

Description

The 133473 USB-C to USB-A Adapter lets you connect USB-A 3.0 devices and cables to the USB-C port of a laptop, tablet, or smartphone. Compact and lightweight with an aluminum shell, it's easy to carry as a daily accessory and helps reduce the number of different cables you need by keeping older USB-A peripherals compatible with newer USB-C devices. Each pack includes two adapters for home, office, or travel use.
