- Simple plug-and-play installation

Description

The Equip 245117 USB Silent Mouse is designed to provide a quiet and comfortable experience, making it ideal for professionals, students, and anyone who values a peaceful working environment. With its noise-reducing technology, the mouse minimizes the sound of clicks by up to 90%, allowing you to work in libraries, shared offices, or at home without disturbing others.

This mouse features a sleek, ergonomic design that fits comfortably in your hand, reducing strain during long hours of use. Its smooth tracking technology works on a variety of surfaces, ensuring precise movement whether you're working on a desk, table, or other non-traditional workspaces. The USB connection offers simple plug-and-play functionality—just connect it to your device, and you're ready to go. No drivers or software are required, making setup fast and hassle-free.
