- Silent design, reduces noise and improves concentration

Description

The Equip 245121 6-Button Dual Mode Wireless Mouse (Rechargeable) combines advanced functionality, ergonomic comfort, and eco-friendly convenience in one sleek device. Featuring both Bluetooth and 2.4GHz wireless connectivity, it allows you to seamlessly switch between two devices—such as a laptop, tablet, or desktop PC—making multitasking more efficient and flexible.

Equipped with six responsive buttons, including forward and backward navigation keys, it enhances productivity for web browsing, document editing, and creative work. The high-precision optical sensor with adjustable DPI levels (e.g., 800/1200/1600 DPI) ensures smooth and accurate tracking on various surfaces.
